

# sovereign<sup>®</sup> DRAW

JANUARY 2018

Dear Branch Chair & Treasurer

*PLEASE READ THIS LETTER TO MEMBERS AT YOUR NEXT BRANCH MEETING*

Firstly, may we wish you all a very happy and prosperous New Year. We are determined that 2018 will see a big growth in our leading UKIP fundraiser, resulting in ever-increasing donations to both Branches and Head Office.

The three winning Branches from the December Draw were:

- **Plymouth & SW Devon**
- **Vale of Glamorgan**
- **Islington & Hackney**

They each won £100 and cheques have been sent to the three Branch Treasurers. It was particularly pleasing that all three Branches were new winners!

Here is a reminder about the **NEW £500 MONTHLY PRIZE available to Branches** from 25<sup>th</sup> January:

**Commencing on Thursday 25<sup>th</sup> January, and every month thereafter, the name of one Branch from all those properly constituted across the country will be independently drawn at random. If that Branch plays the Sovereign Draw, as a Branch, at a minimum level of £10 per month, then they will be awarded a donation of £500.**

It is vital that you inform me by that date that YOUR BRANCH plays the Sovereign Draw, together with the name of the Branch Officer in whose name the Application was made. You can do this by email or telephone on the contact details below. I will personally visit the winning Branches to present them with their cheque wherever they are in THE United Kingdom. That is a promise. If the winning Branch doesn't play the Sovereign Draw, then the Branch Officers cannot say they didn't know about it! Good luck.

You can download the Application Form on the [sovereigndraw.co.uk](http://sovereigndraw.co.uk) website OR you can order supplies of hard copies direct from me, preferably by email. I am usually available on my mobile at any time – even weekends!

Please help to spread the word and ask your members to [Like and Share us](#) on Facebook! Please also forward this newsletter to all your members who have email.

Yours sincerely,

**Mark Harland**
